

Sliding Patio Door Lock

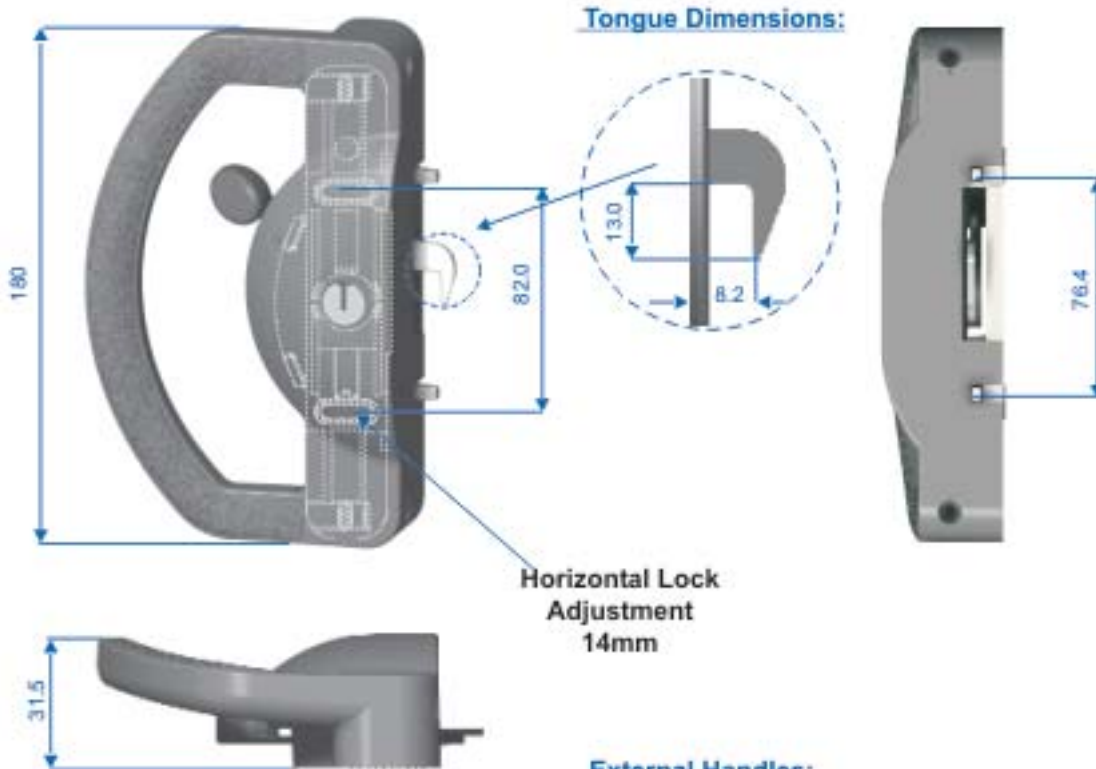

DS950 Lachlan

- The DS950 is both a latch and deadlock all in one standard model.
- The DS950 utilises the proven Doric OEM Universal Chassis System.
- The DS950 is a symmetrical design. An important feature with four lite doors where locks meet.
- A large handle and a BCA compliant latch lever for easy operation.
- The DS950 utilises the Doric cartridge cylinder system which makes re-keying or changing cylinders quick and easy.
- Polesium™ can be powder coated in all polyester colours using the exclusive Doric Desmotec™ process.
- Totally corrosion resistant Polesium™ lock & keeper covers.
